

Letter of thanks from a family who participated in the RYCTT project

“Alan and I would like to thank you for such a wonderful time we have had at the Reminiscence Club. We don't know how you manage it to have so many interesting subjects to keep us interested each week – we congratulate all of you.

You have given us a wonderful welcome every week and we feel we have known you for such a long time. There were always happy smiles and a happy atmosphere and we enjoyed coming.

We look forward to meeting you at our next venue!

Thank you once again – please excuse my writing –

Love to you all from,

Patrícia and Alan”
